3. How to claim

- Claims are submitted in the CareCompanion app within 90 days of the visit, with photographs of receipts where required.
- Claims are checked against this policy and the site's local rates, and against the visit record in the study EDC.
- Approved claims are paid by bank transfer within 30 days.
- Items not listed (for example loss of earnings) are not reimbursed unless agreed in writing by the sponsor.

4. Local rates

Where a site's clinical trial agreement sets a different rate for an item (for example parking at a city-centre hospital), the site's rate applies to participants at that site.
