SAMPLE - FICTIONAL TEST DOCUMENT - NOT FOR CLINICAL USE

Family Travel and Expenses Policy

Study: LUMINA-NB2 (BPC-118-NB2)
Version: 1.1, 4 May 2026
Owner: Brightpath Children's Cancer Research
Applies to: All UK sites unless the site's clinical trial agreement states a different local rate

1. Purpose

This policy sets out what families of children taking part in the study can claim, so that no family is out of pocket because of taking part.

2. What can be claimed

Item	Rate	Limit / condition	Receipt
Travel by car	£0.45 per mile	Pre-approval over 200 miles return	No
Public transport	Actual cost, standard class	Child + up to 2 parents/guardians	Yes
Taxi	Actual cost	Up to £80.00 per journey, pre-approved	Yes
Car parking	Actual cost	Up to £10.00 per day	Yes
Parent meals (inpatient)	Actual cost	Up to £15.00 per day per family	Yes
Parent accommodation	On-site free or hotel	Up to £95.00 per night, pre-approved	Yes
Sibling childcare	Actual cost	Up to £50.00 per admission day	Yes
Child thank-you voucher	£20.00 gift voucher	Per completed cycle	No

3. How to claim

- Claims are submitted in the CareCompanion app within 90 days of the visit, with photographs of receipts where required.
- Claims are checked against this policy and the site's local rates, and against the visit record in the study EDC.
- Approved claims are paid by bank transfer within 21 days.
- Items not listed (for example loss of earnings) are not reimbursed unless agreed in writing by the sponsor.

4. Local rates

Where a site's clinical trial agreement sets a different rate for an item (for example parking at a city-centre hospital), the site's rate applies to participants at that site.
