HRA and Health and Care Research Wales (HCRW) Approval Letter

Date: 30 June 2026

Dear Dr Clara Whitfield,

Study title: LUMINA-NB2: A Phase II, Open-Label, Single-Arm Study of BPC-118 in Combination with Temozolomide in Children and Young People with Relapsed or Refractory High-Risk Neuroblastoma
IRAS project ID: 1012446
Protocol number: BPC-118-NB2
REC reference: 26/SW/0098
Sponsor: Brightpath Children's Cancer Research

I am pleased to confirm that HRA and HCRW Approval has been given for the above-referenced study, on the basis described in the application form, protocol, supporting documentation and any clarifications received. You should not expect to receive anything further relating to this application.

Participating NHS organisations

Each participating NHS organisation in England and Wales should confirm capacity and capability before the study starts locally. Sites in Scotland follow NHS Research Scotland permissions.

Site	Principal Investigator
Avonside Children's Hospital Oncology Research Unit, Avonside Children's Hospital NHS Foundation Trust	Dr Clara Whitfield
Tyneside Children's Cancer Centre, Tyneside Children's Hospitals NHS Foundation Trust	Dr Ben Armstrong
